LINN'S *Prestige* KITCHENS AND BATHS *Remodeled While In Iraq*

Colonel Mark Koch USAFR is not the only brave sole in the Koch family, Mrs. Koch is also brave and resourceful to take on the challenge of a full kitchen remodel while her husband was deployed for 6 months to Iraq. Cheri Koch was invigorated and excited about getting the kitchen remodeled and once this work began she even decided to remodel all her bathrooms and laundry room. Colonel Koch is home safely now and enjoying his beautifully remodeled home and thankful for such a wonderful energetic wife that worked hard while he was gone to make their dreams a reality.

The Koch's did some of their preliminary decision making together before Mark had to report to duty, they did some basic price investigations and compared services and references before deciding to hire Linn's Prestige Kitchens and Baths to bring their new kitchen to life. "The Linn's excellent reputation for service and their ability to meet our budget made our decision easy" said Cheri Koch.

BEATING HOME CENTER PRICES

"Sherrie and Sean made this process fun and met our budget."
 - Mark and Cheri Koch
 Niceville, Florida

"Our new design totally transformed the look and feel of their home, we help our clients with all their selections and completely handle the whole remodel project from demolition to clean up" said designer Sean Clay. The original kitchen was very confining, Linn's redesigned the new kitchen to incorporate a new opening into the family room and created a wonderful bar and pass thru area, they removed the soffits, added an island and the cabinetry was raised to the ceiling for added visual height. Beautiful cherry cabinets, Blue pearl granite counter tops, a buttery cream tile backsplash and a soft yellow wall color were all chosen to accent Mrs. Koch's Blue Delft china she has collected through her years traveling in a military family.

Clients of Linn's not only get wonderful cabinetry and installation at very competitive prices but also get the benefit of a wonderful staff to help make all color, pattern and design decisions to help make the design process fun and stress free.
